Naturalization Club Trying to Bring About an Amendment to Naturalization Law—Whist Enjoyed—Notes.

A well attended meeting of the Naturalization club was held Sunday afternoon with President Joseph Caron presiding. For some time past the matter of the necessity of going to Hartford to attend the naturalization papers has been discussed. At present the foreign born men who desire to become citizens must go to Hartford and appear before the superior court judge. This involves two trips and the expense to a Norwich man is about \$30. It is hoped to do away with this trip and have the would-be citizens appear before the superior court judge in the various cities of the circuit of which Norwich is one. The result would be the addition of a considerable number of new citizens.

Arrangements for a sacred concert to be given under the auspices of the club were also made and an arrangement committee appointed.
